PHOTOGRAPHY CONSENT

As parent/guardian, I understand that promotional pictures (individual and group) will be taken during this event. I give permission for my child's picture to be used in a Power Point presentation during the event and possibly on the parish website and for my child to participate as a crew leader. **We understand that teenage leaders must be able to commit to being there all five days for the hours of 8:30 a.m. – Noon so all crews will be properly covered. No exceptions!**

Please note: Cell phones are not to be used during the VBS sessions.
